June 29, 2012

The services of the National Mediation Board (Board) were invoked by the New Orleans & Gulf Coast Trainmen's Union (NOGCTU) on April 24, 2012, to investigate and determine who may represent for the purposes of the Railway Labor Act (RLA), as provided by Section 2, Ninth, thereof, personnel described as "Train and Engine Service Employees," employees of New Orleans & Gulf Coast Railway (Carrier).

At the time this application was received, these employees were represented by the Brotherhood of Locomotive Engineers and Trainmen (BLET).

The Board assigned Investigator Eileen M. Hennessey to investigate.

FINDINGS

The investigation disclosed that a dispute existed among the craft or class of Train and Engine Service Employees, and by direction of the Board, the Investigator was instructed to conduct an election to determine the employees' representation choice.

The following is the result of the election as reported by Investigator Hennessey.
