

EMERGENCY BOARD NO. 100

Northwest Airlines, Inc. - International Association of
Machinists (Case No. A-3566)

Proclamation dated (No. 10319) January 4, 1952

Emergency Board Members --

Note: Due to the fact that parties to dispute returned to direct negotiations which resulted in an agreement between the parties - dated April 24, 1952, no effort was made to name said Board Members although three 30-day extensions of time was granted by the President for investigation and report of dispute. Under the above circumstances this emergency board functioned until said agreement was reached.

Report to President dated none made
